

4 out of 5 eye doctors prescribe the same type of progressive lenses.

Dear Jamie Bizzak,

HOYALUX iD MyStyle®

Are you ready to be number 5?

This email is designed to provide you easy access to information on the revolutionary new HOYALUX iD MyStyle®, the entirely personalized HOYA Free-Form™ progressive lens.

HOYALUX iD MyStyle lenses have revolutionized the way progressive lenses are designed and will provide your patients with exceptional comfort from the first moment they put them on. Are you ready to step out of the crowd and strengthen the relationships you have with your patients by bringing them closer to perfect vision than ever before?

Learn more about the HOYALUX iD MyStyle lens by visiting your personal micro-site at www.HOYALInsight.com/JamieBizzak

Thank you for choosing The HOYA Free-Form Company.
